Old Business:

CPA voted to donate \$300 to Midwest Outdoors in Melrose: Hamburg Hunt & Fish Club will be sending in 2 checks to Midwest Outdoors.

Sibley East Trap Shooting: Funding has been taken care of already. Al Hahn is just going to double check with them to make sure & see if they need anything yet.

New Business:

Chuckar Challenge Update: Kerby has the quail for the event coming from Fairmont. We need Dave Sell to check with Major Ave to see if we can keep the birds there for the event. Kerby is planning to get them on Friday, April 13th. Al Hahn will take care of the food, Scott & Wendy will take care of getting Pop, Water, Donuts & Dinner Rolls. Kerby made the motion to discontinue the Double Runs since we really did not have that many participate in that at all. Scott will check with Joe's Sport shop to see about getting the Plaques Plates made up for the event.

New Chapter Update: They are working on getting all their members together to set up the new chapter. They will need to get the By Laws amended to add a new chapter under CPA. Scott & Wendy Scheidt will keep us updated.

McLeod Chapter Update: Joyce Teubert was present to let us know that they estimate that they had about a \$19,000 Profit, & just waiting for a couple of bills to come in yet. Had about 320 tickets sold for the event.

Kerby Kroells talked to us about Randy Vos from Steele County Pheasants Forever did a hunt for kids who had lost a parent & not able to get a chance to go hunting. Wondering &/or looking into to see if this is something that we could do as an organization.

Motion made by Joyce Teubert to adjourn the meeting.

Next Meeting: **April 9th**

Al made motion to adjourn, seconded by Joe. Next meeting: **March 11th**.
