- Chuckar Challenge Report

New Business:

- New chapter update: Main direction for chapter is more on Women and Children activities, Would like to get Trapshooting into school district. 70 students interested and have already have 7-10 students involved already. Banguet set up for September 22nd at the Brownnton City Center. We went that direction since there really is no chapter out in that direction.
- Discussion about Fall event for next year. Gaylord GPL is wondering if we would be interested in doing an event with them and going in 50/50 with splitting costs/revenue.
- Linda Becker was here tonight from eh Sibley 4-H to see about getting help with Trap Shooting. 8 new students in program this year. They needed to purchase new mattress due to theirs getting damaged over winter storage. They have already purchased new mattresses, bow, arrows, and quivers. They are also looking for a coach in Trapshooting. They have already spent around 600 for equipment that was needed. Motion was made by Scott Scheidt to have Doug Fegley talk with Linda to see what they are needing for donations. We will vote on this at the next meeting.
