Old Business:

Trailer: They have removed all of the racking and sealed the roof. Will have a rechargeable battery installed so whoever hooks up it will work. Everything is working now and is not leaking.

Wood Duck Houses: Haggemiller Lumber will get the wood ready for this winter, they just need to know how many that we need. We also have New Locks for the Sheds, they just have not been installed as of yet.

Al Hahn has not been able to talk to them yet. Suggestion for a Fundraiser to see about doing a trap shoot and some dog games like we used to do with the fun in the field day at the Gaylord pow wow grounds.

New Business:

Chuckar Challenge Update: Income was \$6517.00 expense \$5675. Compared to a profit of \$200 from last year.

Dave Dammann has picked up the pheasants for the MFWA Chapter, the other chapters have already gotten theirs as well.

Al Hahn made a suggestion to get Shell Pouches for each of the Trap Shooting Teams. If they qualify to go to State they will be required to have their own shell pouch unless they have a vest with the pockets. Suggestion was made to get them for the chapters and then to have the CPA Logo and website address put on each of the pouches. Joel, Al and Scott will check into pricing on Shell Pouches.

Gaylord's Banquet went well. Thank you for everyone from the different chapters that came to support their chapter. Al Hahn has retired from their board of directors.
