Central Sibley is thinking that they made about \$10,000 on their banquet.

Seed Corn is available for food plots. Contact Dave Dammann.

Chuckar Challenge: Suggestion to move date so we are not on the same day as Banquet. Check with Linda Becker about 4-H to help with Chuckar Challenge next year. Made about \$620.

Suggestion was made to get a copy of the Membership lists to Wendy so we can compile a Mass mailing list for all chapters to use when its Banquet time. This way everyone who has attended the banquets for the year plus chucker challenge will be invited to all banquets. There has been some people who have commented that they are unaware as to when the chapters banquets are, this way everyone is better informed and can go and support all chapters if they so wish to do so.

Next Meeting: August 14th

Motion made by Joe Luskey to adjourn, 2nd by Adam Wroge.
