

Conservation Partners of America

August 15, 2021 Meeting Minutes

Members present: Mike Kramer, Dave Sell, Heidi Grams-Anderson, Jason Jacques, Bob Reid, Bruce Kranz, Scott and Wendy Scheidt

Meeting called to order by Dave Sell, president

Mike Kramer had talked to a lawyer regarding merging with Green Isle Sportsman Club. They will need to get a new range permit if they change the name. They have posted on the sign as to when the club is open for shooting.

Dave Sell received another invoice for the domain on the internet. Wondering if we really need all 3 or if we could just get by with .org and .com. Wendy will contact Jeff Steinhaus to find out about this and let Dave Sell know what she finds out before we pay this invoice.

Nominations for Treasurer. Jason Jacques made the nomination for Heidi Grams-Anderson to be Treasurer. 2nd by Scott Scheidt. Scott recommended a Secretary, Treasurer or Board of Director to help Heidi if needed. Dave Sell will contact Security Bank and have them add Heidi to the account. All in favor.

Dave Sell will get in touch with Bob Reid and they will do an inventory on what is on hand in the storage unit. Discussion was also brought up if we really need to continue to have the storage unit.

Next Meeting: Sunday September 12th, 2021
