Green Isle Sportsmen Club needs to move to Non-profit before we can do anything. Any bills/money coming in thru CPA as everything would be taxable for taxes. Money from GI checking account should be closed and all money turned into CPA and either used for any bills that they have. Any money turned in for memberships or sportsmen club they should keep that money. Scharpe needs a copy of the Green Isle Sportsmen Club By-Laws

We need to update CPA laptop. Jeff Steinhaus can get us a new laptop for \$250. We also need to look at getting a PO box for CPA and create an email address for CPA as well. Motion was made by Dave Sell to get a new laptop and use the following address for CPA:

PO Box 253

Green Isle, MN 55338

Mike will get us 2 more keys for PO Box.
