Main Checking 193,771.76

Please note that the CD is not added in on these amounts.

Motion made by Bob Reid and 2<sup>nd</sup> by Dave Dammann to approve the minutes. Approved by all.

Multi purpose tools are not available from Outdoor Marketing. Adam Dammann was able to find them from Amazon and was asked to order extra for other chapters as well.

Chuckar Challenge: Major Ave is wondering on how big the fields would be. We would not be able to use the club house at all. So not sure if we would be able to use Credit Card Machine, Bathrooms, building/pens for birds. Postpone for this year due to timing.

Website is updated, Chapters should get information on projects that are done to Dave Sell or Wendy Scheidt so we can get this added to the website.

Since we didn't have a Treasurer yet after MFWA had their banquet they will be meeting with Heidi to settle up from the 2021 banquet.

MFWA is still short the 2 board of directors for their chapter. Adam Dammann and Blake Teubert will be delegates for their chapter.

Discussion was brought up about getting Bumper stickers done. Blake Teubert brought up that he has a friend starting up. Motion was made by Grant Henkelmann to order 450 stickers between White, Orange, Yellow and Tri-Color. 2<sup>nd</sup> by Dave Dammann. Approved by all. We need to make sure that everything we do have printed up has a ® on it due to it being Trademarked and also done in Tri-Color due to the Trademarking and the Bylaws.

Central MN is back to taking care of the Glencoe Archery range. Person who was in charge has stepped down due to family issues. We need to order new targets and was wondering if the Treasurer could order them for us and just deduct this money from our project account.

Motion made by Grant Henkelmann to adjourn the meeting, 2<sup>nd</sup> by Bob Reid. Approved by all

Next meeting: March 13, 2022
