Grant Acct	\$58,881.52
Main Acct	\$57,495.41
Total	\$220,193.92

Pheasants Forever John & Kevin

County 15/9 Howard track has 120 acres. Wants to donate to PF. Looking for help with the last \$15,000 for the trust acct, maintenance, insurance and other expenses that comes out of the trust account. They have had 1 organization sign up already. Need money by June in order for them to make payment.

Chris Hansen & Mike Ferrell, Time on the Water. They have room in September for 7 people. September 16-22nd. Discussion about CPA doing the Trip Sponsor for \$10,000. Break it down that corporate would cover \$5000 and each chapter would do \$1250. Motion made by Scott Scheidt to do the \$10,000 donation and have the main organization to pick up the \$5000. 2nd by Kip Trebesch. Approved by all. Each chapter needs to go back to their chapter and come up with 2 people from their area to send. They are concentrating on: EMT, Police, Fire Fighters, Veterans and Healthcare professionals.

Remodel at the Green Isle Sportsman Club is almost done. Just need to finish the bathrooms yet.

For the enclosed CPA Trailer we need to purchase new locks once again. Each chapter that uses the trailer is responsible for providing their own locks when they use the trailer. We have purchased locks in the past and the keys are not turned in with the locks for the next person/chapter using the trailer.

Green Isle has Membership Forms, Donation Slips and Donation Requests ready to go out. They will be working on this week to get in the mail.

MFWA They had a \$35,823 profit. 81+ sponsors, 130 members, 109 guests and 34 pinfeathers. Capped it at 300 not including committee members, and late responses that were added in. For the sponsors they went with a Metal Sign. Cost was \$50 and made by John Peterson.

Ken Mueller from Sibley East Trap Team was present tonight. 73 kids this year, 13 new shooters. \$400+ per kid

We are looking to get a new accountant. We just received the bill for 2020 and 2021 taxes. We shouldn't be this behind to pay for the taxes.

Decals/Logos Blake was wondering if we still wanted to do the CPA Decals. MFWA got them and the cost is \$1.50 per sticker. He will order 400 for CPA as a whole.

Next Meeting April 16th

Motion made by Ryan Wroge to adjourn the meeting and seconded by Kip Trebesch.
