Grant: \$59,802.02

Main: \$38,528.92

Total: \$160,584.37

Approved by Kipp and by Lindsey Approved by all

Remodel to Green Isle Sportsman Club has \$2,535.49 left to use. Plan to get the floor redone yet.

Trailer: Locks have been purchased. Kipp will be putting them on and will send out to all presidents.

Gaylord: Profit of \$10,500 they have a couple of bills left to pay yet. Had 155 in attendance.

Green Isle: Profit should be over \$20,000. Sold 290 tickets, only 5 pieces of meat left. Need to raise prices on beverages and separate salad from meal on plate. Talk to cater about this.

CPA Trailer is back from South Dakota. Its located at Ryan Wroges house right now.

Discussion about getting a bigger container or depends on price a 2nd one. This way we can store the trailers inside instead of keeping them outside. Looking at getting a 40 ft container and trading in current container. Green Isle chapter paid for the original unit. Suggestion to get unit w/doors on both ends. Kipp will check into it and send out a group text once he gets information. Motion made by Kipp, 2nd by Lindsey.

Projects:

MN Valley Trust – Mudd /Tiger Lake, Perbix later this fall, Hyland/Krueger through DNR – Mike will get in touch w/Dave when they need money. Pheasants Forever – They would let Kipp know if they need more or not.

Once we get container figured out we will get the storage unit emptied out.

Time on the Water Chris would like to meet with everyone who will be going on the trip. Plan to meet at the GI Sportsman Club at 7pm.

Accountant: Kipp had talked to his accountant and they would be willing to take over the CPA Account.

Printer: Green Isle and Central MN Sportsman Alliance chapter will be looking at getting a printer that can handle printing out everything for their events: Tickets, Invites, Posters and such. Scott will continue to check into pricing and will send out a group text with options. Kipp made the motion to get Printer and Computer for Corporate use for all chapters to help with the costs of printing. 2nd by Lindsey. Scott and Wendy will check into pricing and send out a group text once they get more information.

Tumblers: We need to look at getting some of the Tumblers for the games updated. Each chapter is short on them each year. CMNSA has a stainless steel one that they use. Suggestion was made to get more of them made up. Mike Kramer will be checking to see about getting some done where he works and will get us an estimate. His work might be willing to donate one.

Next meeting: Sunday August 20th 6pm

Motion made to adjourn by Kipp and 2nd by Heidi

Approved by all
