Treasurer's report.

Total - \$ [REDACTED]

Possible kids pheasant hunt – youth banquet. Scott called Caribou to see if they had enough birds on hand for a youth hunt. They couldn't give him a price until the owner let him know if they will have enough birds for an April 27th hunt.

47 tickets sold for Gaylord's April 26th banquet.

Insurance will be coming out April 23rd. Was informed that no guns will be allowed to be stored at Green Isle Sportsman's Club anymore. They are all insured under Scott's insurance. Wendy is working on a gun inventory. Grant made a motion to move 1 gun safe and guns to Scott's location. Roger – 2nd. Ayes – All.

FFL is completely separate and anyone wanting to trade guns from a banquet goes through Scott completely now and has nothing to do with CPA.

Grant made a motion to make Green Isle a separate chapter again. Brandon – 2nd. Ayes – All. After corporate meeting, Green Isle and Brownton will vote in their boards.

Sam brought up the side by side raffle and Kipp said he is meeting with the seller on Monday. Wendy is okay with printing ticket books.

Wendy asked if we are putting up flyers for the porkchop dinner. She then handed out a draft to look at. Need to order more porkchops and double check pork prices. Figure out anything else that needs to be ordered for Sunday May. 18th. Volunteers are needed. Scott, Wendy, Grant, Heidi, Brandon and Tara are all maybes.

Lindsey brought up tax laws and reminds chapters that they need to pay rent. For CPA it would be expense on their logs and for the Sportsman's Club it will be income.

Owner of New Auburn Island would like pheasants to release on the island.

Corporate meeting will be May 18th after the porkchop dinner.
