

Conservation Partners of America

June 8th, 2025 Meeting Minutes

Members present – Brandon Becker, Tara Becker, Dave Gansen, Heidi Grams-Anderson, Dan Kranz, Mike Lewis, Sam Myhro, Bob Reid, Scott Scheidt, Wendy Scheidt, Lindsey Trebesch, Kipp Trebesch Jr.

Kipp Jr opened up the meeting by making a motion to approve minutes after every one had finished reading the typed up minutes. Mike 2nd. Ayes – All.

Pheasants came in. Sam took 65 and he was down to 60 pheasants. Dave had 18 pheasants lost and Dan had 2 that arrived deceased in the box. Sibley chapter – Jason went to pick up 2100. They are doing well. Company sent 630 birds when we ordered 600. Company ALWAYS sends out an extra 30.

525 will be coming in July. They SHOULD be shipping Monday July 14th and arriving July 15th. Dave would like to make sure a schedule is set for at least 3 days before pickup date. His chapter did NOT like the “cluster f---” it ended up being. Would like a concrete plan set at the July 13th corporate meeting. Wants a place and time for meeting. Wendy said she will receive a text saying they could arrive anytime between 6:30 A.M and 9:00 P.M. With an average always being between 7:00 and 7:30 A.M. Dave would like to meet at club at 8 A.M the day the pheasants arrive. Have ONE (60 mins) hour set for waiting for the pheasants and ONE HALF HOUR (30 mins) set aside to split the pheasants.

Dave then brought a flag to show that he had made for their chapter. It was \$22.00 for a 3 foot by 5 foot flag. (Pipe Flags) It was an idea he brought to the club for extra signage.

Time on the Water – E-mail will be sent to recipients going the month before they leave.

CMNSA - ?

Sibley – Jason and/or Jason’s sister.

Kipp will get final numbers of people going.

Tara handed in receipts to Lindsey (treasurer) to be reimbursed for items she purchased for the Sibley banquet. Lindsey approved and wrote a check. Now all settled up.

Heidi would like to make a committee for game fair. Wendy offered to help.

Kipp has left 3 messages for the gambling commission and has had zero response back. The company is holding the side by side a little longer for the raffle.

Game fair was brought up again. All chapters will need to find workers for game fair and for the committee that Heidi wants to set up. Kipp would like to make it mandatory that people from each chapter attend to help. Sam would like to know who Chris from Time on the water would be sending. The question was brought up on how everything will be sent down to game

fair. Wendy needs detailed information about the prizes so that she can get tickets made for the raffle. Tara brought up that the website is pretty far behind on updating and should be brought up to date in time for game fair. Wendy said she is one of the only ones with the email for the person that does the website and other chapters aren't sending her updates and/or pictures so she can send them on. A lot of people did not know they could send updates or that there was someone that could be emailed updates. Tara said ALL chapters should be informed of the email address of Jeff so they can send their own updates/pictures for their chapters instead of relying on just one person to do it.

Jeff – jeffsteinhaus@outlook.com

Sam would like a mock flyer to be made by Wendy and be brought to the next meeting about the raffle for game fair and other events.

Kipp said that Jeff from Cabin Fever has sold out to Archery Company. He will be retiring. Unsure about the future of shopping there.

Lindsey had 261 black pheasant eggs go in to lockdown and they started hatching the night of this meeting. It was fun to see all the new babies in the incubator!

July 13th – 6 P.M. Will be the next corporate meeting.

Kipp made a motion to adjourn. Dave – 2nd. Ayes – All.
Meeting adjourned.
